## VIKTOR&ROLF TULLE CAPSULE

Viktor&Rolf Tulle is a collection of contemporary layering pieces inspired by Viktor&Rolf's 25 year body of work. The Tulle capsule is an expressive collection of 5 pieces inspired by the Viktor&Rolf Haute Couture Spring/Summer 2019 'Fashion Statements' collection. These exclusive pieces feature mainly one-liner slogans with the kind of simplification typical of social media captions.

Statement phrases such as "Go F\* Yourself", "Boring", "Whatever", "Amsterdam", and "Get Mean" are translated into beautifully crafted artwork statements made out of a mixture of soft tulle layering, dégradé colour constructions and laser cut detailing.

The collection will be launched exclusively on the [www.viktor-rolf.com](http://www.viktor-rolf.com) concept store on March 13<sup>th</sup> and retails in a range of €500 - €800.
